

We don't have much to choose from in the rural area we live in. AIR 1 88.1 radio is the only station I listen to. It provides the type of music many families, yes, parents and kids like to listen to and with family friendly programming. AIR 1 supports wholesome values and has a positive and encouraging effect on communities all across America. Please don't take our AIR 1 88.1 away.

Sincerely
Gaila M. Ford
